Why Us?

The Problem

Lack of connection and bonding between sports enthusiasts within a geographic location on a single platform

Fragmented user experience due to a lack of platform that creates end-to-end ecosystem for sports enthusiasts

Lack of a common market place for official sports merchandise and authentic memorabilia

Disparate and lack of fan engagement in a community environment for an athlete in a chosen sport

The Need

Encourage people to connect, foster bonds and then facilitates their travel to sporting events based on their passion

Re-build the social fabric for the people embracing back to the "herd" ways, discover human bonds and share experiences

Mobilize the middle class / upper middle class / young sporting enthusiast to travel and watch major sporting events

Encourage a sporting culture and to pursue excellence for popular and niche sports
